

Membership Secretary's Report

By the end of the year 2000 the Friends already had 114 members. At this year-end we were 130 Friends, though the subscriptions from 16 remained overdue.

Newcomers to our events in the year provided a trickle of fresh applications; these managed to compensate for the inevitable, annual loss of a few existing members. Next year we expect another gradual increase in numbers and in subscription/donation income, partly as the result of occasional free advertising in local publications, approaches and presentations at church and Friends' events and appearance on the three websites.

The three oldest buildings in this area are Leeds Castle and our two churches. The castle is helped by 60,000 visitors each year; your two churches aren't nearly so lucky, but with your help can last another thousand years.

If you are not yet a member, please help us by applying to join, using the forms below. If you already subscribe, please help by appealing to an acquaintance to join this rare and effective LOCAL charity. Just one new member joining us will be of real significance and be much appreciated by the generations who want to continue using our ancient church buildings, on their path through life. *Mike Evans & Caroline Jenkins 01622-862316*
