

FRIENDS OF LEEDS AND BROOMFIELD CHURCHES

Annual Report and Newsletter 2015

www.friendslbc.org.uk

Where our funds have been spent this year

This year the Friends have contributed towards the cost of repairing one of the beams in Broomfield tower and we have also helped to fund much improved new lighting at the tower end of the church.

We have also taken down the curtains in Leeds church, had them cleaned and re-hung.

Over the years that the Friends have been in existence we have contributed more than £31,000 to work done in these ancient buildings but there is still a great deal to do at both churches to comply with their quinquennial reports and this is likely to include repairs to the stonework of Broomfield church and repairs to the roof of Leeds church.....more news next year.
